

WAKECAP · CONNECTED ENVIRONMENT

From a weather station to one data bank.

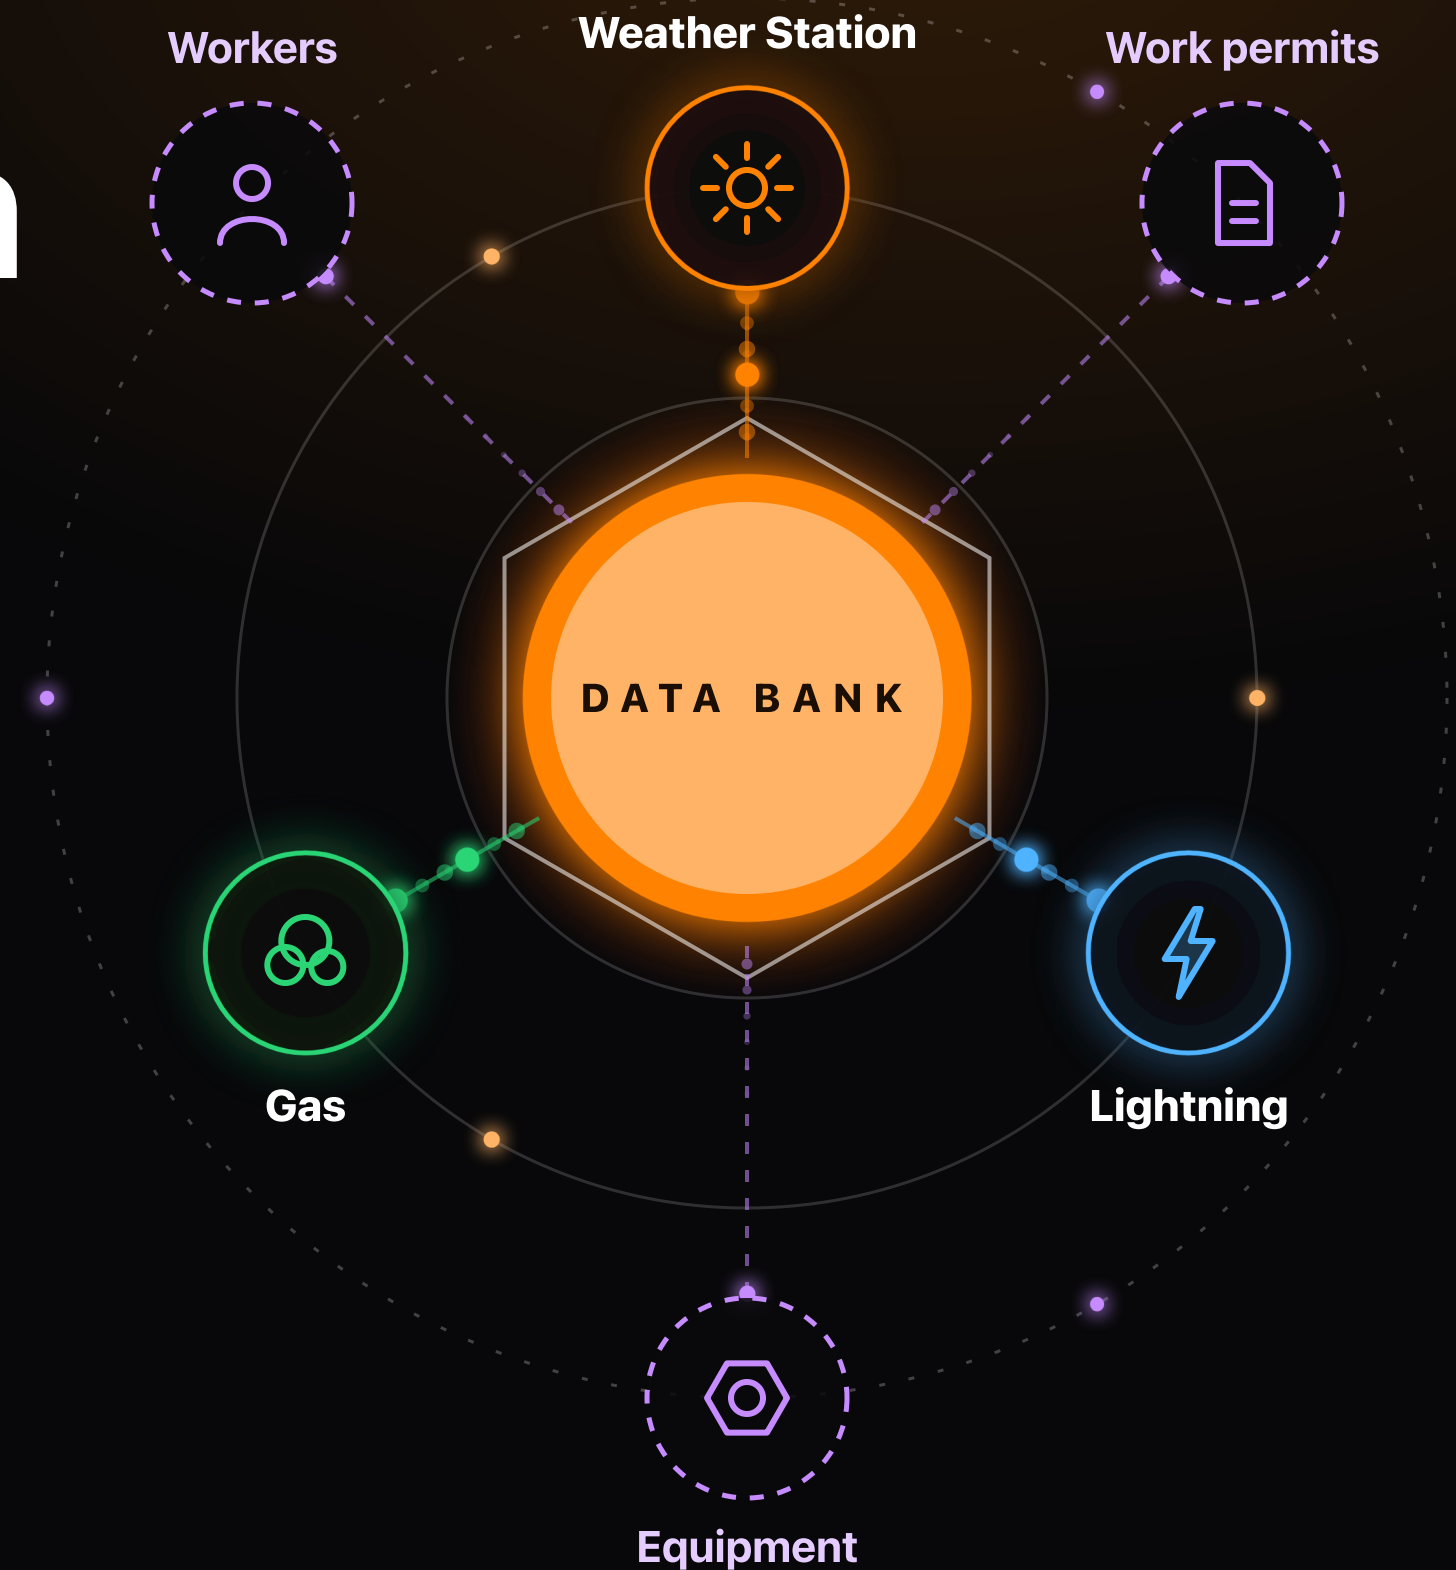

One app. Three products. Next: one data bank.

● Weather Station

● Lightning

● Gas

● Work permits · Equipment · Workers

Is it safe to work **right now?**

Three screens. Three answers.

One site. Three answers.

One place to look.

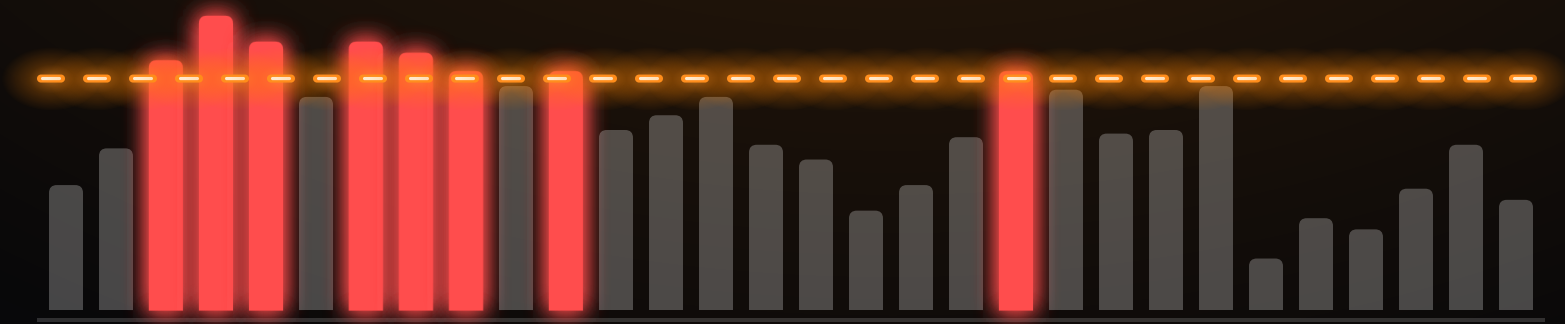

The cost of **every** decision

People at risk Hours lost

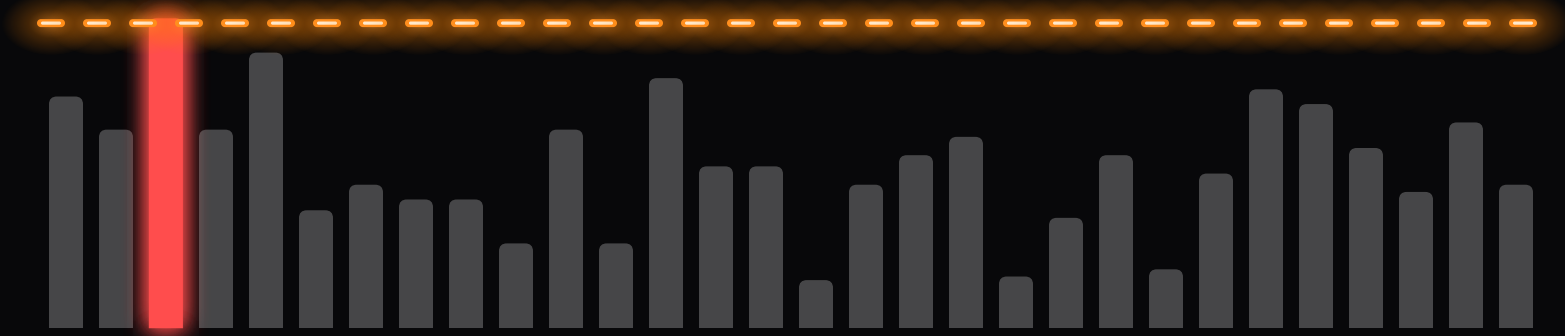

HEAT LIMIT

8 of 30 days

WIND LIMIT

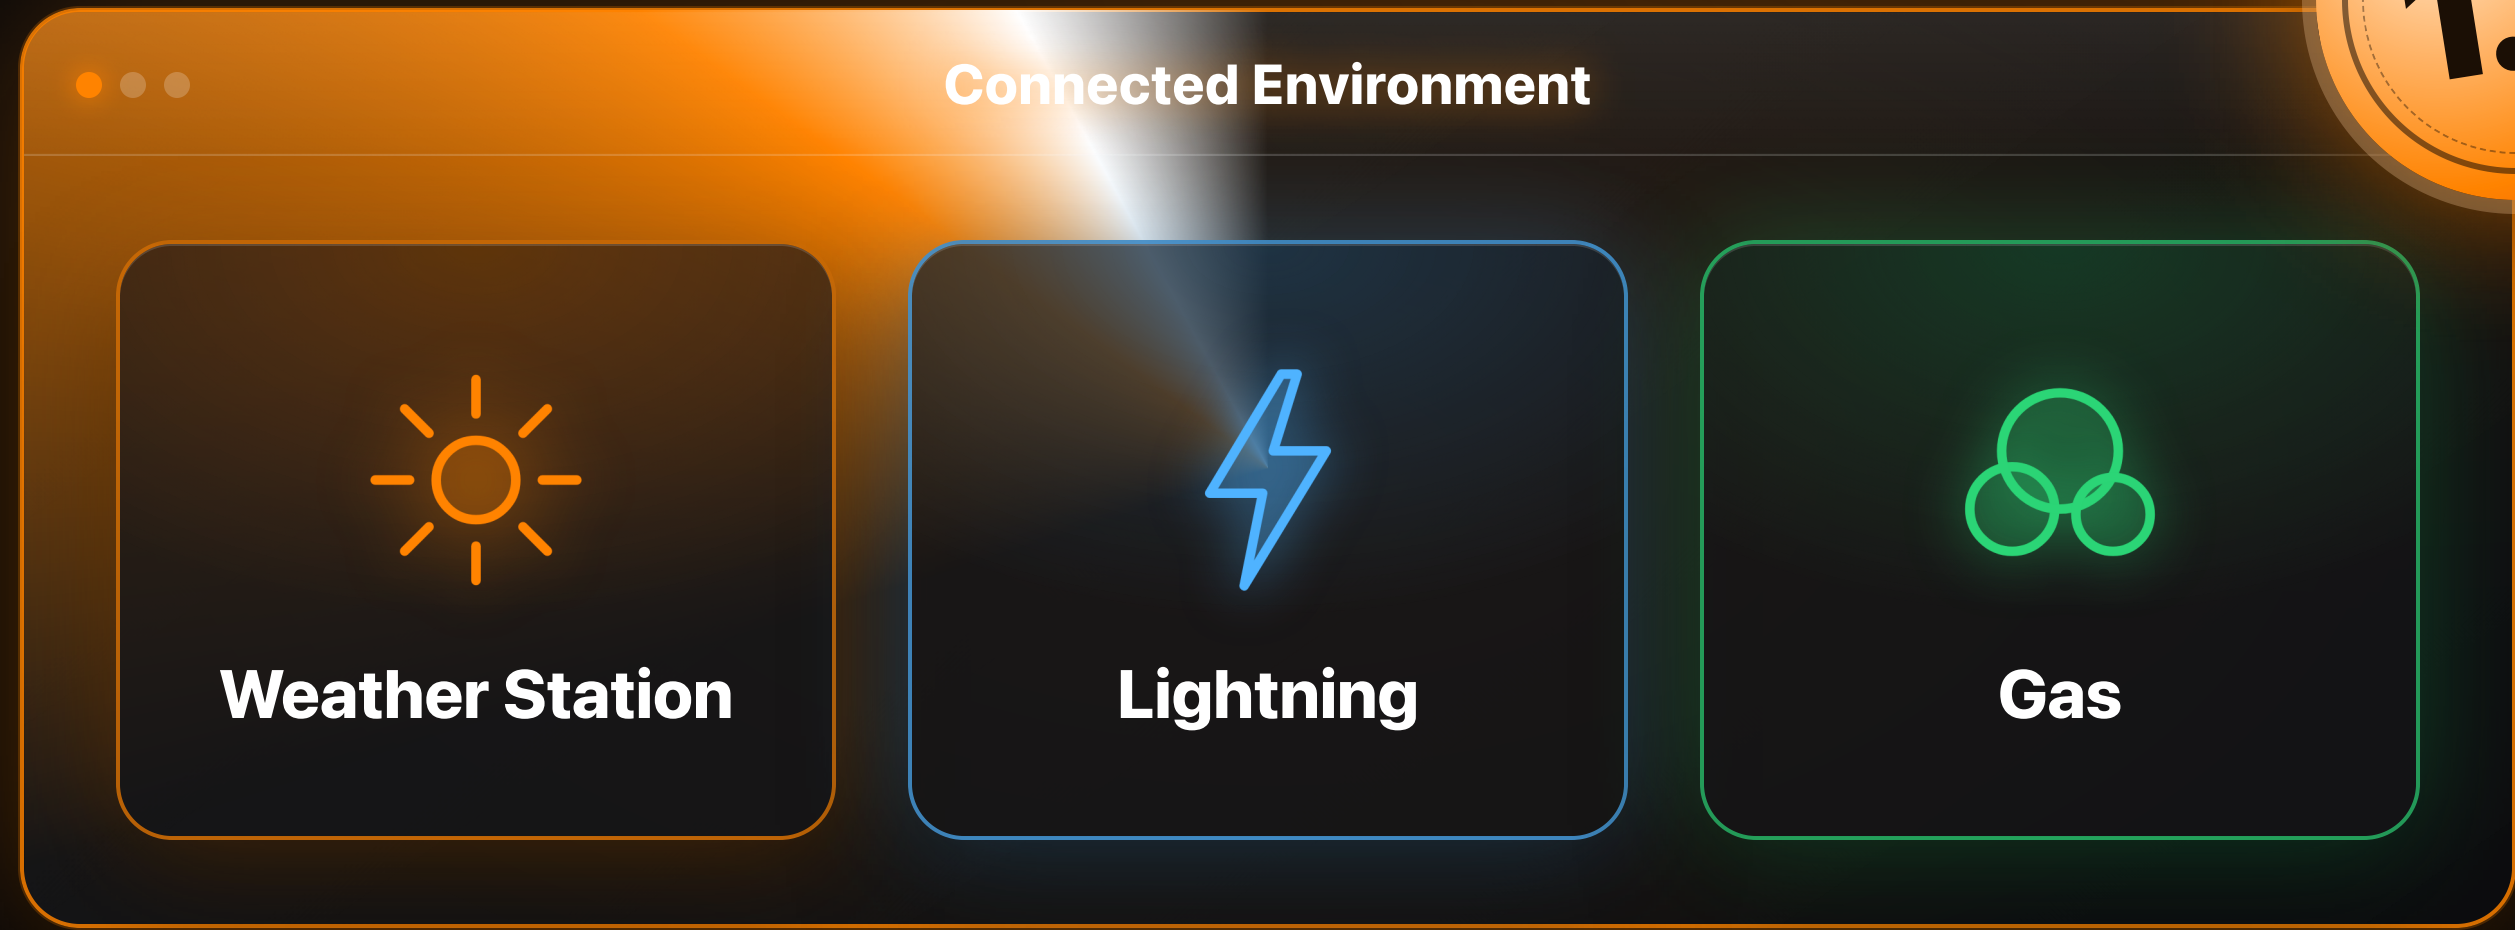

1 of 30 days

A limit is a **decision**.

Changing a limit changes when work stops.

One app grew into three.

May 2025
Weather Station

Jun 2026
Its own app

Aug 2026
New name

Sep 2026
Lightning and Gas

Oct 2026
Version 1.0

Two paths in. **One page.**

Two paths today. Room for more.
